

Last month we saw the largest jump in healthcare inflation in a decade. Insurance costs are heading up again and we all need to be prepared. Michigan Chamber Services has a solution for you. We call it the Michigan Chamber Advantage insurance program.

With the Michigan Chamber Advantage we can:

- Provide Michigan businesses with the most comprehensive employee benefit programs available to help retain good employees.
- Prepare detailed analysis for your company and provide on-going superior level of service.
- Offer one-of-a-kind programs created for Chamber members through carriers such as Delta Dental and Vision Services Plan (VSP). Both employer-paid options and voluntary options are available with these Delta Dental and VSP programs.
- Offer the most affordable medical plans with the latest cost-containment features such as HSAs and HRAs.
- Provide resources you need to ensure the success of your company, including human resource, administrative and compliance tools.

Let Michigan Chamber Services provide a solution for you. To learn more about the Michigan Chamber Advantage insurance program, you may email the attached inquiry form or fax it to 517-371-7233. Or feel free to call us at 517-371-7693.
